

Arlington Transit Management Covid-19 Service Response Plan

- **Practicing Social Distance**

- Employees will remain at least 6ft apart from one another as well as patrons

- **Enforcing PPE/Mask Procedures**

- All Employees are required to wear mask and gloves throughout the entire shift
- Employees are provided surgical grade disposable face mask and latex gloves
- Employees are provided hand sanitizer and are instructed to wash hands and sanitize with 80% alcohol antiseptic regularly

- **Educating Staff and Operators on New Safety Procedures**

- Arlington Transit Management has educated all Staff regarding all CDC recommended guidelines and procedures
- All operations personnel have been instructed on how to engage all customers appropriately regarding the current climate

- **Supervisors**

- Maintaining and enforcing all CDC Guidelines for Operators while in service
- Assisting with daily sanitation of vehicles
- Ensuring that all operations maintains the new standard for uniforms, including surgical grade mask and latex gloves as well as utilizing polycarbonate driver shields

- **Cleaning Schedule for Vehicles**

- Cleaning schedules are posted within the facility and on all vehicles and enforced by management
- Cleaning BEFORE service: Every vehicle will be cleaned before daily service. This includes the wiping down of seats, stanchions, grab handles and frequently touched surfaces with disinfectant, as well as wet sweeping and trash removal
- Cleaning DURING service: Operators will wipe down frequently touched surfaces, and disinfect with Chemsanhq upon arrival at Six Flags or final destination
- In addition to daily cleaning, all vehicles must undergo a routine deep cleaning which entails intensive cleaning of the interior surfaces from the top of windows to the floor
- Hard surfaces as well as soft porous surfaces will be disinfected with an EPA registered antimicrobial product via an electrostatic handheld fogger
- 80% alcohol hand sanitizer will be available for onboarding customers

Arlington Transit Management is committed to providing the safest, most efficient transportation for our customers.
